Welcome to our first Awakeri quarterly newsletter! (*apologies for telling you it will be a monthly newsletter*) Here, we aim to stay connected – letting you know what we've been up to and any general updates.

January was a good start to the year, kicking off what will be a transformative year in Team Awakeri. We had 4 new team members join, 2 skilled drain layers and 2 school graduates who have joined us in the office.

We are excited to announce that we now carry all our aggregate products at both Mere Road & Richmond Road, and both are fully manned so you can head to either yard at any time for your aggregate needs. We also carry a selected range of our most popular Cirtex stock at Mere Road for pickup anytime. The full range is kept at Richmond Road.

That's all for now, enjoy the read, stay safe and Happy Easter!
