# What's been happening in the Forestry Department?

## Awakeri cuts steep 🚧

These Tutira hills makes things interesting — but that doesn't stop Jude and the team from getting the job done. These forestry roads and skids are no small feat. The photos don't do the slopes justice, but they give you a feel for the skill it takes to build a road in this kind of country — and a road solid enough to handle the biggest trucks on the highway.

## Upcoming Holiday

Our team will be taking a well earned break for Hawkes Bay Anniversary 🎁 & Labour Weekend 🛠️ Our gates will be closed for the following dates.

**Friday 24th Oct - Monday 27th Oct 2025**
